

CHRISTMAS HANDKERCHIEF SALE

Every year during the holidays we sell thousands of Handkerchiefs. They are the always acceptable gift. A good many people say, "When in doubt, give Handkerchiefs."

This year, anticipating a record-breaking business in Handkerchiefs, we have bought an immense stock. Buying in such large quantities, we have got price concessions that we could not get in any other way. Every bit of the money saved is put into the value of the Handkerchiefs.

Then when we say "We are showing you a line of Handkerchiefs from fifteen to twenty per cent better than we have ever shown before" you can see how it is.

Pick Christmas Gifts This Week

Do something this year that you have always promised yourself you would—buy Christmas gifts early. Every day from now on the number of shoppers will increase and goods that you would have liked best will be leaving the store. While we have additional help, the hurry and bustle of the last week of holiday buying make it almost impossible to do shopping with entire pleasure and satisfaction. For this reason we urge that you come and see our holiday line as early as you possibly can. It will make your shopping pleasant, satisfactory and profitable, for you cannot find a better stock than ours, nor can you get as good goods elsewhere at our prices. Come in and see what we have.

The Bamboo Handle

A Broom with a bamboo handle is the latest advance step in this department of our business. It is especially well constructed from the very best fine corn. The advantages of the BAMBOO are readily seen to be great strength, small size, smoothness to the hands and fairly lightness. This kind is made to sell at 50 cents. Ours is the only store in the city where they are sold and our price is 40c. When you get a Broom remember the BAMBOO. Other sweeping considerations are the Challenge at 40c, the Thistle at 30c, the Barn Brooms at 40c and the Columbia at 25c.

SHORTHAND AND TYPEWRITING

THE GATEWAY TO SUCCESS.

Preparation is the path leading to it. In no better way can a young person perfect the training of a higher education than by our Course of Shorthand and Typewriting. No vocation has brighter prospects and none opens so many doors to responsible and lucrative positions as does Stenography. The demand for real efficiency is much in excess of the supply and is steadily increasing. To those who have had a high school training or its equivalent, and whom we could recommend upon graduation from our Shorthand Department, a position is a certainty.

See your plans to join our class beginning January 2, 1906. Send at once for pamphlet of our superior stenographic advantages.
